

Dear

Thank you for your enquiry about holding your wedding at Holy Trinity, Skipton and congratulations on your engagement! We will do all we can to help you navigate this exciting time.

Our Wedding Application form is overleaf, however before you fill it in, there are some things for you to consider.

Do you live within the parish of Holy Trinity Skipton? If you are not sure, you can check this here [A Church Near You](#). If you are not a resident of the parish and you (or your close family) have no prior connection to the parish, you will need to consider forming a “worshipping connection” with us before you can get married here. The minimum legal requirement is for you to attend our Family Communion service on Sundays at least once per month for six months before your wedding day. Whilst this may sound quite a commitment, we find that many couples enjoy the chance of getting to know the church and community. The Rector will normally hope to see you for at least two sessions of marriage preparation.

We will need to complete an identity check with you. When you are invited to meet with the Rector to discuss your wedding you will each need to bring one of the following documents with you

- **A valid UK passport, or**
- **UK Birth certificate**

You should bear in mind that there are sometimes complications that can slow down your period of marriage preparation, for example, if one of you has been married before or if you are not a UK national. Please let us know sooner rather than later if this applies to you.

If you have any further questions, please do get in touch. Your completed application form can be returned by email or post (address below). We strongly advise that you do not book any reception venues until you have clarified and confirmed the dates and details above with us.

Best wishes
Bev
